Rockwell Automation
Remote Instructor Led Training

Increase manufacturing profitability with improved workforce competency

Highly Interactive

- Led by **experienced Rockwell Automation training instructors**
- Compostion of **lectures** and **hands-on labs using real workstations with cameras** to help **reinforce learning** concepts
- Classroom like experience in a remote format

Availability

- **16 remote courses** on various Rockwell Automation technologies
- Standard courses agenda in a remote format
- Available in **multiple languages**
- **Flexible on-demand schedule** (modular)

Accessibility

- Join from **any location** convenient for you
- Connect using any **web browser**
- Students will have a **dedicated** training station (no sharing)

FLEXIBLE MODULAR TRAINING FROM ANY LOCATION DESIGNED AROUND YOUR SCHEDULE

✓ Training from any location

✓ Flexible and tailored to your schedule

✓ Proven Course Content in a Remote Format

Benefits

- **More efficient use** of your training investment
- **Reduce training costs –** no travel & expenses required
- **Interactive hands – on** training, **customized** to meet your needs
- **Save time –** efficient & effective workforce development solution

List of **courses**

COURSE CODE	DAYS	COURSE NAME
CCP298	4	Studio 5000 CompactLogix Fundamentals & Troubleshooting
CCP299	4	Studio 5000 ControlLogix Fundamentals & Troubleshooting
CCP146	2	Studio 5000 ControlLogix System Fundamentals
CCP153	4	Studio 5000 Maintenance & Troubleshooting
CCCL21	2	Studio 5000 Basic Ladder Logic Interpretation
CCP151	2	Studio 5000 Basic Ladder Logic Programming
CCP143	4	Studio 5000 Project Development
SI100	4	Logix5000 Project Development & Basic Ladder Programming
CCP154	2	Studio 5000 Structured Text & Sequential Function Chart Programming
CCP152	2	Studio 5000 Function Block Programming
CCV204	4	FactoryTalk View ME & PanelView Plus Programming
CCV207	5	FactoryTalk View SE Programming
SI101	3	FactoryTalk View SE Configuration
FTAC	3	FactoryTalk Asset Centre System Design & Implementation
RS-FTHSEC	3	FactoryTalk Historian SE Configuration & Data Collection
FTVP	3	FactoryTalk VantagePoint Configuration & Reporting
